SERVICE UPDATE

Thank You for Participating

Amador Valley Industries would like to thank you for making our recycling, organics and garbage collection service a success!

Make Your Efforts Count

To maximize the environmental benefits of recycling please make sure there are **no plastic bags in the black-lid recycling and green-lid organics cart.**

Plastic bags interfere with the recycling process and can cause otherwise useful material to end up in the landfill.

NO PLASTIC BAGS
in the black-or green-lid carts.

In the green-lid organics cart it is important to also AVOID ALL PLASTIC, including plastic bags.

Billing Information

All customers are billed for the basic level of service — a 32-gallon cart — on their tax bills. Customers who choose to use a larger garbage cart will be sent an additional bill each quarter directly from AVI. This bill will reflect the cost difference between a 32-gallon cart and the cart size chosen by the resident. For questions about rates, call AVI at 925-479-9545.

Easy Pay

As a convenience for those customers billed directly by AVI, Easy Pay services are available at no additional cost. With Easy Pay, you can have your payments automatically deducted from your checking account—saving you time and money! Please call AVI at 925-479-9545 to request an enrollment form or download one at www.amadorvalleyindustries.com.

Need to Pay Your Bill in Person?

Residents can pay their bills in person at the AVI administrative offices at 6175 Southfront Road in Livermore, or at a convenient pay station in Dublin. Please visit our website at www.amadorvalleyindustries.com for pay station information.

Moving In or Out? Renting Your Property?

When a residence changes ownership, a new garbage service account must be established. If you are selling or moving from your home, be sure to cancel your garbage service before you leave. AVI will collect your cart. New homeowners should call AVI to establish new service, whether or not the previous owners have cancelled it. Remember, all residents using carts larger than 32-gallons will be sent a bill directly from AVI. Property owners are responsible for all costs related to garbage collection at the property, whether or not they reside on the premises.

Holiday Schedule

There will be no service on the holidays listed below. When a holiday falls on a weekday, collection service will be delayed by one day for the rest of the week following the holiday. Friday customers will receive service on Saturday.
