

# NEW SERVICE UPDATE

## Composting & Recycling is the Law

Properly sorting your food scraps and other compostable materials not only helps fight climate change, it is now the law. Effective January 1st 2022, State law (SB 1383) requires residents to keep compostable and recyclable materials out of California's landfills. When compostable materials like food scraps, plant trimmings, and paper break down in a landfill they produce methane, a potent greenhouse gas that contributes to climate change. By composting and recycling these materials, you are helping to reduce methane emissions and create a healthier planet.

## TEXTILE RECYCLING

AVI will collect textiles curbside from Dublin single family residents during the **first full week of July, October, January and April.**

**How To Participate:** Residents must call at least 7 days in advance to notify AVI that they will have textiles to be collected. Place acceptable textiles in a clear plastic bag at the curb. There is no fee for this service. Residents will not receive a tax-deductible receipt. Please call AVI at 925-479-9545 to schedule your quarterly pickup. For additional program details and set out instructions, please visit our website.

## Holiday Schedule

There will be no service on the holidays listed below. When a holiday falls on a weekday, collection service will be delayed by one day for the rest of the week following the holiday. Friday customers will receive service on Saturday.

- Thanksgiving Day**
- Christmas Day**
- New Year's Day**

## Billing Information

All customers are billed for the basic level of service — a 32-gallon cart — on their tax bills. Customers who choose to use a larger garbage cart will be sent an additional bill each quarter directly from AVI. This bill will reflect the cost difference between a 32-gallon cart and the cart size chosen by the resident. For questions about rates, call AVI at 925-479-9545.

- Place carts three feet apart
- Place carts in the street with wheels against the curb
- Close lids completely to prevent litter and stormwater pollution

## Kitchen Pails

Residents are provided kitchen pails at no charge to make food scrap composting easier.

Simply line it with a paper bag or newspaper to collect food scraps and food soiled paper. When the kitchen pail is full, empty the contents into your compost cart. You can also collect scraps in compostable items such as pizza boxes or paper egg cartons.

## Motor Oil & Filters

Call AVI to request a special oil jug and filter bag.

Set the filled jug and bag at the curb next to your carts on your collection day. Make sure the jug and/or bag is sealed properly and clearly visible from the street.

## HOUSEHOLD HAZARDOUS WASTE (HHW)

### HHW Annual Drop-Off Event

It is prohibited to put HHW in the garbage, recycling or organics carts. AVI will host an annual, one-day Household Hazardous Waste Drop-Off Event in the spring for all Dublin residents. Please watch your mailbox and our website for more information on event location and date.

If you need to dispose of HHW at other times of the year, contact the Alameda County Household Hazardous Waste Program at (800) 606-6606 for more information or visit [www.stopwaste.org/at-home/household-hazardous-waste](http://www.stopwaste.org/at-home/household-hazardous-waste) for a list of disposal options and locations.
